

KOLENYA

The design for these fingerless mittens derived from the need to use my fingertips while having warm hands. To ensure a snug fit and to keep any cold breeze outside, I *unvented* crocheted bridges between the fingers.

Once you wear them you don't need to take them off anymore: They are perfect on cold steering wheels, they prevent you from shaky signatures when receiving yarn deliveries and they do a pretty good job in isolating coffee mugs. Striking features include being a one-skein project and very fast knit.

Additional feature is a crocheted chain-loop to ensure that they won't get lost!

Difficulty level Simple

Supplies

1 skein Noro Kureyon
(100% wool, 109 yd/100 m per 50 g skein)
3,5mm dpns or two 3,5mm circular needles
2 stitch markers, waste thread
Crochet hook
Tapestry needle

Gauge

18 sts and 30 rows over 10cm / 4"

The directions are written to knit the right hand first with the directions for the left in brackets.

Cuff

Cast on 30 st using a long-tail cast-on¹, join. Distribute stitches evenly on your needles.

Knit the cuff in k1p1 ribbing for 12 rounds.

Insert SM1 in the first row after the first knit stitch.

(for left hand: insert SM1 between second last and last st of first row)

Next round: k4 M1, k4 M1, k6 M1, k4 M1, k6 M1, k4 M1 k2 (you increased from 30 to 36 stitches)

Knit 11 more rounds.

¹ If you wish to add the crochet chain to fix the Kolenyas with a safety pin or a button to your sleeve, make sure that the remaining tail is at least 30 cm long.

Thumb gusset

K1, slip SM1, kfb1, place (another) SM2 and complete the round.

(for left hand: K34, slip SM1 kfb1, place SM2, k1)

Knit 1 round

Next round: after SM: kfb2 (between the two SMs), complete round

Knit 1 round

Next round: after SM: kfb1 k2 kfb1 (SM), complete round

Continue in this manner (kfb in second st after and second last before SMs, every 2nd row) until you have 12 st between the SM.

Knit 3 more rounds.

In the next row place 12 st between SMs on a stitch holder or waste thread.

CO 5 st, join and complete round. (you should have 40 st on the needles), remove SM2

Knit 10 more rows.

'Bridges'

Prepare the glove for crocheting the bridges between the fingers. You might want to mark them with SMs or waste thread: count 3 times 5 st in both directions of SM1.

K25 st, *catch the strand between last knitted st and next st on the left needle and start crocheting a chain, 4 st. With the crochet hook catch the strand between st 5 and 6 on the opposing side (10 st backwards from last knitted st). Pull yarn through this strand and as to form another chain st. Repeat this with the strand one

row below. Turn direction and crochet backwards along the chain as following: push hook through the 'V' on the chain, catch yarn and pull through. (repeat 2 times)

catching the 'purl'

Pull yarn through the second row of the first st on the left needle (facing the inside/wrong side, you pull it through the strand that forms the 'purl') and pull as if to crochet a chain. Place the reminding st on the crochet hook onto the left needle and k2tog*. k4 and repeat crocheting bridge from* two times, k4

crocheting through the 'V'

*(for left hand: k5 st, start making 3 bridges like described above between * and *, k25.)*

- non-commercial use only! -

Knit one row
K19 st, k2tog, k18, k2tog (slip SM)
Knit 3 rows
K1 p1 for 2 rounds
Cast off in k1p1 ribbing pattern.

Thumb

Place the 12 st from the waste thread onto 2 needles. Begin to k these 12 stitches. Pick up 6 st along edge, join.

Knit one row (18 st)
K2 k2tog k2 three times (decrease from 18 to 15 st)
Knit 3 more rows (or until required length)
Cast off.

Using the initial tail of the long-tail cast-on crochet a chain of 15 st (or requested lengths when used together with a button), and reconnect with a crochet slip st to the cuff.

Weave in ends.

Abbreviations

K knit
P purl
K2tog knit 2 stitches together
M1 make one stitch by lifting the strand of the next stitch onto the left needle and knit it through the back loop
SM Stitchmarker

This is a free pattern and also my first. Please accept my apologies in case of mistakes or inaccuracy. The pattern is for non-commercial use only and I would like to ask you to not duplicate it and/or distribute copies (digital or print) without my permission.

Please do not hesitate to send me your comments, question or corrections to falca@web.de.
Of course tell me if you published a picture of your finished Kolenyas on your blog!
